APPLICATION FOR MEMBERSHIP

The CSA Foundation Inc., doing business as Colorado Soaring Association (CSA) is one of the premier soaring clubs in the nation. It was formed as a non-profit corporation to promote safe soaring, advance the knowledge of the sport, and to provide its members with advanced sailplanes at minimum cost. On September 19, 2016 CSA Foundation Inc. was designated a 501(c)3 charitable foundation. To accomplish its objectives, CSA owns its own gliderport, maintains a fleet of sailplanes, and provides tows and primary through advanced instruction. CSA is governed by a seven-member board of directors elected from the membership.

CSA offers a number of attractions – a variety of club ships available to members, a first-class facility with hangars, paved runways, clubhouse, kitchen facilities, bunkroom, recreation room for the kids, camping and RV parking, and excellent soaring. The club encourages cross-country and wave flying. Our instructors provide primary flight instruction as well as advanced instruction in higher performance sailplanes, cross-country flying, mountain wave flying and winch launching.

Our operations depend entirely on the membership, and members are expected to assist with ground operations and work on one of the standing committees (membership, maintenance, facilities, operations, social, etc.). The modest club dues and income from tows pay for the entire facility and all club operations.

MEMBERSHIP CLASSES, DUES, AND RATES

Membership is open to all individuals interested in the sport of soaring. Application for membership in CSA can be made at any time. If you're not sure if flying a glider is for you but would like to try it, the club offers you the opportunity to get a rebate of your initiation fee any time before your fourth flight. New members remain on "Candidate Status" for ninety (90) days as a get-acquainted period.

REGULAR MEMBER: Full privileges and use of CSA sailplanes.

FAMILY MEMBER: Any member of a regular member's immediate family who lives in the same household enjoys all the privileges of a regular member, including voting rights if age 18 or older.

STUDENT MEMBER: An elementary through high-school student, or a full-time student enrolled in an accredited degree program carrying 12 units or more. Includes all the privileges of a regular member except the right to vote. A student under 18 must have permission of a parent or guardian. At age 18 (or at graduation), the student member may convert to a regular membership by payment of the difference between the student initiation fee and the regular initiation fee.

INSTRUCTOR/TOW PILOT (I/TP): No voting privileges or dues. Must initially join as a regular member and may convert to I/TP status after 3 months' satisfactory performance and "fly off" a rebate of the initiation.

INACTIVE: No flying privileges and no voting rights. A member must have been in one of the other membership categories for at least a year to be eligible for inactive status. After a year as an inactive member and for up to five years, an inactive member can return to one of the active membership categories without paying the initiation fee again. After five years, a new initiation fee is required.

CSA is a chapter of the Soaring Society of America (SSA), and CSA members are required to belong to SSA. The SSA membership fee is \$75.00 per year (\$45 for family and \$42 for youth members). SSA dues are collected through the club. Membership in SSA entitles you to a number of benefits, including *Soaring* magazine. Dues are pro-rated so that SSA membership for all CSA members expires on June 30 of each year.

Flight charges for use of sailplanes currently in the club inventory include:

Solitaire: \$.10/minute *SGS-126E:* \$.20/minute *Grob G-103 and LS-4:* \$.30/minute *Schweizer 2-32:* \$.75/minute

If you would like more information, please call a member. In Denver, call (303) 722-5254, Fort Collins (970) 690-3895, Greeley (970) 330-2050. The gliderport number is (970) 568-SOAR (7627). During the week, leave a message; we're generally at the gliderport from 9-6 on weekends and holidays, but several members monitor the Gliderport phone thru the week.

To get to the Gliderport, take I-25 to the Owl Canyon Exit (#281) north of Fort Collins, go west 1/4 mile, then north on County Road 7 for three miles. Watch for the Owl Canyon sign on the right at Hackamore Road.
